### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

## NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Cherokee descent through your father? If so, give the names of his parents, also the names of your uncles and aunts on his side.

Did either of your parents or any of your grandparents ever reside with any Indian tribe? If so, state when and where and give the name of such tribe.

Have you been enrolled or attempted to be enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Very respectfully,

Special Commissioner.

#27366.

Ellen Sanderson being first duly sworn deposes and says:

My name is Ellen Sanderson, and I live in Denton County, Tex. I am 53 years old. As a child I remember that I lived in Mo. but I do not know where I was born. I think I get my Indian blood through my mother, but my sister Margaret says we get it through our father. Archie Brendine was my father. I do not know where he was born, and he died just before the war. I think my father was 1/2 Indian, they said that my father's father was a full blood Indian. He was born and raised in Mo. or Tenn.

Dear Sir,

If I am entitled to a share of the money arising out of the Eastern Cherokee funds? will it make any difference if I leave the place where I am now. I live more than 30 miles from the place where my lawyer lives. he tells my sister, that live in the same town that he lives in, which is Marion Ind. that we will surely get our share. our witnesses were two old (men) under the last one was so deaf that he did not know what the first one said. he answered to the questions as did the first, so I know that their word was true. I wish to leave the place where I now live. If I can sell my home here and put it in to western lands.

Respectfully yours

P. S. Could my uncle be taken in to consideration any way. I did not know that he had not applied. It until at the Court of enquiry at Marion Ind. he was our first witness but too old to think for himself. he is an Indian of the old type. he is entitled to it if any body is. his name is James Robbins. his home is in Columbus Ohio.

OLIVER B. SNIDER,  
ATTORNEY AT LAW  
1429 NICHOLAS BLDG.  
TOLEDO, O.

Aug. 11, 1909.

Hon. Guion Miller, Special Commissioner,

610 Ourray Bldg., Washington, D. C.

Dear Sir:- On behalf of John D. Shoecraft of this city I write you in regard to his claim #27385 for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, which claim, in accordance with your letter to him of June 10, 1909, you rejected.

Mr. Shoecraft states that when you took testimony in regard to his and other claims at Marion, Indiana, sometime during last year, the testimony of Jeremiah Shoecraft was all that was heard in support of the Shoecraft claim, and that you stated no other testimony was necessary in that behalf. Thereupon no other testimony was offered, although a number of other persons, knowing of his Indian ancestry, were then living and available.

Will you please inform me for Mr. John D. Shoecraft upon what ground his claim has been rejected or at least the substance of your finding as it affects him.

He wants to present further testimony which he thinks will fully substantiate his claim. The time between now and the 30th inst. may be too short for him to find the parties, who are scattered. Would it be possible for a reasonable extension of time to be granted, say 30 or 60 days? He has just come to me in the matter.

Yours truly,

Oct. 23, 1909.

Clerk of The Court of Claims,  
Washington, D. C.

Dear Sir:- Having reference to the claim of John D. Shoecraft,  
#27,385, for participation in the fund in favor of the Eastern Cherokees,  
I beg to inquire:

1. Has any extension been made by the court of the time for filing exceptions as to rejected claims beyond August 30th last, (the date mentioned by Guion Miller, Special Commissioner, in his letter of June 10, 1909) and if so to what date?
2. If no extension was made was any hearing had on the third Monday in this month, (the 18th inst.) on exceptions then on file, and if so, what was the result of such hearing?
3. If the hearing of exceptions was postponed, then to what date?
4. Is Mr. William H. Robeson, Bond Bldg., Washington, D. C. an attorney in good standing and of several years experience in your court?

Yours truly,

Sir:

Replying to your letter of October 23, 1909, addressed to the Clerk of the Court of Claims, you are advised that the time for filing exceptions to my report was extended from August 30 to October 30, 1909.

It will probably be some time after the above date before the decision will be announced in any particular case in which an exception has been filed.

Mr. W. H. Robeson is a practicing attorney before the Court of Claims and other Courts of this City.

We note that the above application seems to be executed by you for your son and grandson. Do you claim any Cherokee descent yourself? Why did not your son and grandson make application for themselves? Are both of them living now?

Was Elijah or Virginia Weaver ever held as a slave? If so, state whether they were owned by white people or Indians. Did they or either of their parents ever reside with any tribe of Indians? If so, state when and where and give the name of the tribe.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were any of your ancestors ever held as slaves? If so, give their names and state whether they were owned by white people or Indians.

Kindly furnish us with the names of your uncles and aunts. Do you claim Indian descent through both parents? Did any of your ancestors ever reside with any Indian tribe? If so, when and where, and what was the name of such tribe?

Were you ever enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Kindly reply promptly, referring to application #36022 with #27388.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1825 and 1841, do not appear on the Cherokee rolls of those dates.

Were either of your parents or any of your ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Do you claim Indian descent through both parents? If through one, designate through which source you do claim.

Did your parents or grandparents ever reside with any Indian tribe? If so, state when and where and give the name of such tribe.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Sir:-

Replying to your letter of September 3, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state, at the present time, whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

W. . Rippy, witness for his wife, after being first  
duly sworn, deposes and says:

I am 58 years of age. Delila C. Rippy is my wife.  
She is about one-sixteenth Cherokee Indian. She claims  
her Indian blood through her mother. He never shared in any  
payment to the Cherokee Indians and was never allotted anything  
by the Dawes Commission. I knew her mother. She lived in  
Arkansas. She did not speak the Indian language and never  
received any Indian money. ~~My~~ My wife gets her Indian  
blood from her grandmother, Elizabeth Caty. She was born  
in Georgia. I do not know where she lived at the time of her  
death. She came to Arkansas ~~for~~ and I have always understood  
that she was married in Arkansas. My wife's grandmother,  
Elizabeth Caty was left in Georgia when the Indians came West  
and was raised by a white woman. My wife tried for an allotment  
but was not given one.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, I beg to state that same is very incomplete, and it will be necessary for you to furnish us, if possible, with the full names of your grandparents on both sides and those of their children.

Does your mother possess any Cherokee blood? If so, by her she not make application?

Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Kindly state why the names of your parents do not appear on the roll of 1851. Were any of your ancestors ever sold as slaves? If so, state whether they were owned by white people or Indians. Did any of them ever reside with any Indian tribe? If so, state when and where and give the name of the tribe with which they lived.

Very respectfully,

Special Commissioner.

App. No. 27465.

January 16, 1908.

Honorable L. S. Overman,  
United States Senate,  
Washington, D. C.

Sir:-

I have the honor to acknowledge receipt of your letter of January 15, 1908, relative to the application of Robert P. Anderson, of Mocksville, North Carolina, for participation in the Eastern Cherokee fund.

In reply you are advised that this application has not been reached for final consideration and I cannot state, at the present time, whether this party is entitled to share in the fund, or when the money will be distributed.

When this office has completed the examination of the applications, grouped them into families, compared them with the rolls of the Indian Office, and in many cases where the applications and other proof are insufficient, taken testimony in the field, the roll will be submitted to the Court of Claims for its approval, when time will be allowed for the filing of exceptions. If many exceptions should be filed a further investigation may have to be made, and until the Court has disposed of these exceptions and the final roll has been approved.

#2--Hon. L. S. Overman:

ed by the Court no money can be distributed. This will necessarily take considerable time, as there are over 44,000 applications on file in this office.

If there is any further information required in connection with Mr. Anderson's application he will be notified.

Very respectfully,

Special Commissioner.

#27466.

Elias F. Mitchell being first duly sworn deposes and says:

I am 71 years old, and live at Fountain City, Ind. I lived in Ind. in 1851 at the same place. I claim to have Cherokee Indian blood in my veins. I get this blood through my mother. My mother was not quite a half blood Indian. Before her marriage her name was Rebecca Shocraft. She died in 1904 at the age of 85. She came from Guilford County, N.C. in 1840 to Ind. I never heard her talk of having received any money from the Government on account of her Indian blood. She claimed that her grandmother, Tobitha Nickens, was a full blood Cherokee Indian. She married Sam Shocraft, a 3/4 blood I think. She claimed that her grandmother was a sister to Nickens. My grandfather was named Silas Shocraft, and he lived in Guilford County, N.C. and my grandmother, Polly Shocraft lived there to until they came to Ind. ~~My~~ I have heard my mother say that there was a little colored blood about 1/4, in my great grandfather, and he married a full blood Cherokee Indian. The Indians objected to a mixture and my great grandparents left the tribe:

July 29, 1907.

Annie Trammel,

Reland,

Indian Territory.

Sir:-

Replying to your letter of July 17, 1907, you are advised that the applications for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees have not yet been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

You will be notified if there is any further information required in connection with your application.

Very respectfully,

Special Commissioner.

Dear Sir:-

Some two years ago I sent in my application for enrollment on the Cherokee Roll for payment of the Eastern Cherokee money for myself, my daughter, Allie, and my sons, Douglas and Whitcomb. I see by the copy of the roll that we are all enrolled, but I have never received our tickets.

This application was sent in from Vinita, Okla., which was at that time my residence.

Please let me have our tickets, and oblige.

App. No. 27494

April 25, 1908.

John C. Lewis,  
Mangum, Okla.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee blood and who were living in 1835 and 1838, do not appear on the Cherokee rolls of those dates.

Were you or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Do you claim any Cherokee descent whatever through your father? If so, set out the source of the same giving the name of each ancestor in full.

Give the full names of your grandparents on your mother's side. Did your parents or any of your grandparents ever reside with any Indian tribe? If so, state with which and give the name of such tribe.

Have you been enrolled or attempted to be enrolled by the Dawes Commission? If you have been enrolled, give the number of your enrollment and indicate on what roll your name appears.

Very respectfully,

Special Commissioner.

Mr. & Union Millie

Sir your

letter of recent date to hand  
and will say in reply my  
husband is dead having died  
July 4 last year.

I thought he had answered all  
the question in the application  
as to his Ancestors & knows  
very little of them.

When the Cherokees were removed  
from Georgia west of the Miss-  
River his people refused to go so  
I suppose that is the reason they  
are not on the Roll.

No they were never held as slaves.  
In regards to this Grandparents

Names I don't know them  
Perhaps the application will enlighten  
you on this time  
I don't think my husband or  
children were ever enrolled  
By the Dawes Commission  
No attempt was ever made as  
far as I know of to get them on the  
Roll

Yes my husband's father was  
part Cherokee but I have no way  
of tracing the Indian blood as  
he died long ago  
My husband's mother was reared  
By a full blooded Cherokee  
Indian and could speak the  
Cherokee Language but couldn't  
read or write English  
Any aid I can give to you will be  
gladly done Yours Res. Mrs. J. C. Lewis

Callie Lewis.

Callie Lewis being first duly sworn deposes and says:

My name is Callie Lewis, and I live at Mangum, Okla. I am 53 years old. I am the widow of John C. Lewis, #27494, and am the mother of his minor children. My husband died in 1907. He was 56 years old at the time of his death. He got his Indian blood through his mother, Elizabeth Lewis nee Hurst. I knew her in her lifetime. She was born in 1820 and 76 years old at the time of her death in 1896. She died in Tex. She was born in Fla. Her grandmother was a full blood Indian, ~~xxx~~ part Seminole and part Cherokee. Her Indian name was Wess so I have heard. Elizabeth Lewis, and her husband and her grandmother went up to Ga. between 1836 and 1840, where they stayed for quite a while. When the Indians were moved west, quite a ~~xx~~ number of them refused to go, and she and her people were some of those who stayed. About 1849 I think some of them started to go to the Cherokee Nation, but when they got to La. for some reason they turned and went back to Ala. not Ga. And my husband was born in Ala. His, Elizabeth Lewis, was raised with the Indians and she was recognized as one of the tribe.
